Our Vision

A state where every individual has the opportunity to prosper in an equitable society

Our Mission

Advance policies driven by community voices that dismantle systemic and structural barriers to equity and justice

We are an alliance of multi-deonominiational African American Christian Churches who leverage their collective influence to advocate for the needs of marginalized Tennesseans while serving as a platform for them to voice how policies and social institutions impact them.

We prioritize our efforts in four key areas:

- Healthcare
- Education
- Criminal Justice Reform
- Civic Engagement

We mobilize our network to engage in advocacy efforts, partner with historic civil rights organizations, collaborate with elected officials, and execute initiatives.

We believe in the power of collective action and persistence to shape public discourse and influence policy decisions that lead to a more just and equitable society. We invite you to join us in our mission to build a better future for all.
